By the Associated Press.
New York, Dec. 31.—Dr. Leroy S. Chadwick, husband of Cassie L. Chadwick, arrived in this country today on the steamship Pretoria, ran the gauntlet of a big crowd which had waited for hours to see him, was taken to Hoboken police headquarters and to the recorder's court, and finally left for Cleveland, not as a prisoner, but as guest of Sheriff Barry who had come from Ohio with a warrant for the doctor's arrest, which he did not serve.

After the trying ordeal of the day, Chadwick appeared cheerful when he and Sheriff Barry arrived at the Pennsylvania depot in Jersey City this afternoon to take the train for Cleveland. Barry had left Chadwick and his

NOBLE FAILS TO MAKE STATEMENT

SENIOR COUNSEL IN IRVINE TALBOT CONTROVERSY DOES NOT GIVE OUT WHAT HE SAID HE WOULD.

By the Associated Press.
Philadelphia, Pa., Dec. 31.—The formal statement which Herbert Noble, senior counsel for the presentors in the Irvine Talbot controversy, said yesterday he would probably make today, giving all facts in connection with the reputation by two of the presentors of the presentment of their signatures, was not forthcoming. Noble spent almost the entire day and evening in conference with his associate counsel and all conferees denied themselves to reporters until tonight when Noble granted the Associated Press a brief interview. He said: "People may rest assured that there has been no fraud relative to the signatures. The gentlemen who are making the presentment against Bishop Talbot only desire to do justice, and they will come into court absolutely free from any suggestion of wrong doing. I do not desire to make any further statement."

Asked if it was true that Irvine, the deposed priest, had forwarded the telegram to W. G. Miller, Huntington, Pa., the vestryman who had to secure

FELL OVER EACH OTHER

MANY BRUISED AND CUT TRYING TO GET OUT—CROWD FINALLY QUIETED ITS FEAR.—NONE KILLED.

By the Associated Press.
Chicago, Dec. 31.—A catastrophe was narrowly averted tonight at McVickers' theater on account of an incipient fire in a temporary shed back of the theater. A cry of "fire" as a volume of smoke burst through an open exit created a panic and the audience became frantic in efforts to escape from the theater.

Coming so close on the anniversary of the fire at the auditorium, the manager of the theater who came on the stage and told there was not the slightest danger of the fire reaching the theater.

His words for a time had little effect on the terrified audience for with a rush the majority of playgoers left

ANARCHY REIGNS IN TANGIERS

BRITISH CONSUL REQUESTS ALL BRITISH SUBJECTS TO MOVE—SITUATION BEYOND CONTROL.

By the Associated Press.
Tangier, Morocco, Dec. 31.—Complete anarchy reigns in the Tanger district and the country generally. This is conclusively shown by representations from different points during the last week. The British consul requested that all British subjects living in the district of Tangier move into town as the government was unable to be responsible for the safety of life and property.

A number of outrages have occurred within a mile or two of Tangier. A house belonging to the late Sir John Drummond Hay (who was the British ambassador to Morocco) has been completely looted notwithstanding the presence of a guard. The family was absent and mountaineers entered Tangier heavily armed in defiance of the government's order that no arms were to be carried in the town.

The Moroccan government admits its inability to control the situation and British and other foreign residents freely express the opinion that France should take immediate action to secure a satisfactory solution of the difficulty or that some other government should undertake the task.

JEROME REFUSES ALL BAIL OFFERS

NAN PATTERSON MUST STAY IN JAIL UNTIL HER NEXT TRIAL—SHE SAYS JEROME IS PERSECUTING HER.

By the Associated Press.
New York, Dec. 31.—When Nan Patterson was informed today that District Attorney Jerome had said he would not accept bail for her pending a new trial on the charge of the murder of "Caesar" Young, she is reported by her father and lawyers to have said:

"I have a friend, a young man that I cannot understand why, when people offer bail for me as high as \$50,000, Mr. Jerome insists on persecuting me by keeping me in prison. What object would I have in running away and where would I go? My future lies in New York, where I expect to live and work and help support my parents, who have sacrificed what money they have saved for costs of my trial and necessities which I feel I have to have, but which the prison authorities do not furnish free. I have spent all my own money since I was first locked up and I am obliged to look to my father for the small outlays absolutely necessary here. Rest assured, however, I shall pay him back in good time."

Two offers of \$50,000 bail had been made to Miss Patterson, one by May Irwin and another by three prominent citizens of Fairmont, W. Va.

INDICTED FOR TRYING TO DEFRAUD

United States Senator Mitchell and Congressman Herrmann

MIXED IN LAND FRAUDS

THEY WILL BE PROSECUTED JUST THE SAME AS ALL OTHER GUILTY ONES—INDICTMENTS IN CURPRISE.

By the Associated Press.
Portland, Oregon, Dec. 31.—United States Senator Mitchell and Congressman Ringer (Herrmann) were indicted today for conspiracy to defraud the United States government of public lands.

George Sorenson, formerly deputy sheriff of this county, was indicted for attempting to bribe United States District Attorney Hall in an endeavor to have him quash the investigation and indictment of certain parties.

THE CHARGES.

The indictment alleges that Mitchell and Herrmann in January, 1902, conspired together and with E. A. D. Pater and others to defraud the government out of a portion of its public lands in township 11 south range 7 east by means of forged and false affidavits and fictitious persons, and that in furtherance of such conspiracy, Pater March 9, 1902, paid Mitchell \$2,000 to secure his influence with Herrmann, then commissioner of the general land office at Washington.

\$5,000 Was Offered.

It is alleged that, acting upon the suggestion and wishes of Mitchell and influenced by him, knowing the transactions were unlawful and felonious, Herrmann used his power as commissioner of the general land office to expedite 12 claims in township 11 south range 7 east, which when he knew them to be illegal and not according to requirements of the law. The indictment also alleges that on March 28, 1904, George Sorenson offered to John Hall, district attorney for the United States in Oregon, \$5,000 with the intent to influence Hall in his official capacity when acting as indictments returned against Pater, et al, to defraud the government out of land in township 11 south range 7 east.

Two \$1,000 Bills For Mitchell.

Meantime Forest Superintendent Loomis reported against the claims. It is alleged a large sum was raised to secure a favorable report from government agent Ormsby, that Loomis got part of the money raised, and it is claimed, wrote a letter asking that the cases be expedited. Clerk Ogden's report that the laws had not been observed caused Herrmann to hesitate. Pater, it is claimed, had a conference with Herrmann and again, according to the allegations, went to see Mitchell.

At this time, the government will attempt to prove, Pater laid two \$1,000 bills on the table in front of the senator and it will also try to prove that he told Mitchell to take them and see what he could do to help the lands through. The next day, it is said, Herrmann told Pater he thought it would be possible to put the lands through. The matter was turned over to W. A. Richards, Herrmann's assistant. Then it is said, on recommendation of Mitchell and Herrmann, Richards allowed the lands to pass to patent.

Proof Against Them.

The alleged connection of Mitchell and Herrmann with the alleged conspiracy dates back, it is said, to the time when Mitchell received a letter from "a prominent attorney in Oregon," introducing Pater as a "responsible business man of Oregon." The government will, it is said, attempt to prove that Pater, Mitchell and Herrmann were well acquainted; that Pater was an ardent supporter of Mitchell in the senatorial campaign of 1898, and that all of them have been personally acquainted for years.

Pater in Washington.

In 1902, the government alleges, Pater went to Washington on business connected with the lands of 11-7. The lands were held up in the general land office, and Pater went to Washington to expedite them to patent. Pater, the government will attempt to prove, secured a letter to Mitchell, though, in fact, according to the government, he was already well-known to the senator. At Washington, Pater went, so evidence will be offered, to Mitchell's office and conversed with him in regard to having claims put through to patent as soon as possible. The government will attempt to prove that Pater promised to make it right with the senator in event that he could secure the good will and assistance of Herrmann. The government contends that after a talk with Herrmann, this commissioner, and not securing much assistance from Pater, it is alleged, went to Mitchell.

Talked of His Travels.
During an hour's wait at the station Chadwick talked of his travels, but declined to discuss his wife's troubles or his own.

His daughter remained in Hoboken and in a few days will go to Jacksonville, Fla.
According to an interview with a first cabin passenger published here today Miss Mary Chadwick said in the course of the voyage to America that she knew nothing of suspected anything until remittances from home began to fall short. She said she "hated to believe mother wrongfully used my money, although I appear to be it all gone."

According to the interview Dr. Chadwick had lost \$8,000 of his money and several hundred thousand dollars that belonged to his daughter in her own right had also disappeared.

Further than this Noble declined to be quoted. He intimated that later he might make a statement containing more information, but at present he and his associates are interested solely in arranging their case for the board of inquiry.

Mrs. Addie Blake of Waterloo, Ia., who with her daughter occupied seats in the second balcony, was thrown forward on the stairway while trying to escape and fell almost the entire flight, suffering severe bruises about the limbs and body. She was sent to the home of friends.

Before quiet could be restored many other persons suffered slight bruises.
